

Explore & Discover Scenic Highway 30-A

Scenic Highway 30-A is a beautiful 18-mile road that hugs the Gulf of Mexico along Florida's "Emerald Coast." Along this scenic route, you will find a collection of charming beach towns such as Seaside, WaterColor, Rosemary Beach, Grayton Beach and Blue Mountain Beach. Be sure to visit our three state parks - Deer Lake, Grayton Beach and Topsail Preserve. The best way to see Scenic 30-A is to walk or ride a bicycle along the Scenic 30-A Bike Path. Among the many treasures you will find are 11 rare "dune lakes" and miles of off-road trails.
