Visit the Most Unique Garden and Curiosity Shop on the Emerald Coast!

The Gourd Garden and Curiosity Shop is a unique Florida roadside attraction with something for everyone!

Here gourd vines twine up rustic arbors, wrens nest in gourd birdhouses, and visitors stroll through our herb and flower gardens and into the Curiosity Shop to find gourds and folk art from around the world.

We're located in an old Florida cottage and garden in the beautiful Florida panhandle. We're a stone's throw away from the Gulf of Mexico and two miles east of the renowned little town of Seaside. Please come visit and see all our gourds, art, herbs and flowers from the Deep South and around the world.
